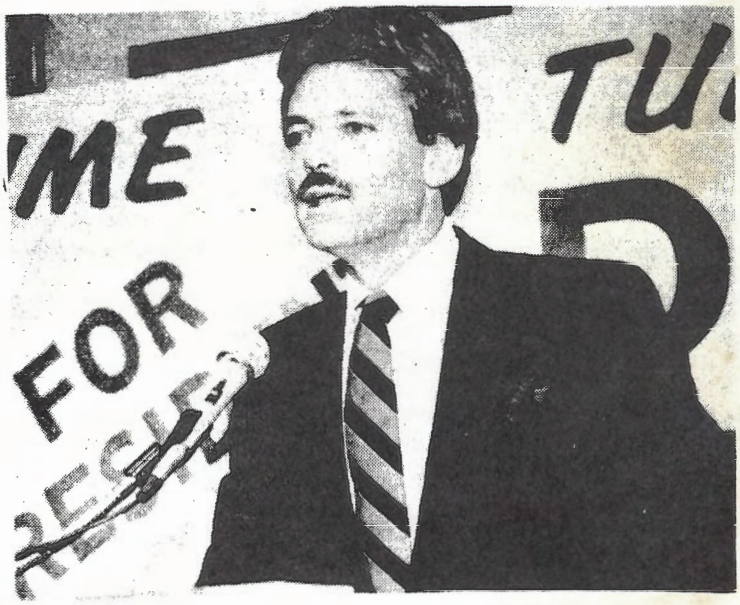
DAVID DUKE TO CHALLENGE REV. JESSE JACKSON TO A DEBATE IN NORTH CAROLINA

RALEIGH, N.C., will be the site of Rev. Jesse Jackson's announcement for President this coming Saturday, Oct.10. While Rev. Jackson has received tons of publicity David Duke's campaign has been nearly "blacked out" by the media. This bias on the part of the press must end!

Thus, David Duke will lead a picketing in front of the Raleigh Civic Center this coming Saturday and issue a public challenge to Jesse Jackson to a debate. He will also go to the Democratic Party Headquarters in Raleigh to protest against the way in which his campaign has been ignored by the National Democratic Party despite the fact that Duke is a life long Democrat ! They never mention the fact that Duke is a legal candidate nor do they ever invite Duke to any of the televised debates with the other candidates !

Duke Opposes, Busing, Reverse Discrimination, Welfare



David Duke addresses supporters at the Marietta Mariott where he announced his candidacy for President.

DAVID DUKE wants to meet you and he invites you to join with him in the protest picketing in front of the Raleigh Civic Center. He also invites you to go with him over to the local Democratic Party Headquarters to demand that his campaign be treated equally with that of the other candidates !
